SURVEY OF INDIA.

NOTIFICATION.

SURVEYOR-GENERAL'S OFFICE.

*No. 130.—The 27th November 1905.—The following Rules and Regulations relating to the Mathematical Instrument Office are published for the information and guidance of public officers.

F. B. LONGE, LT.-COL., R.E.,
Surveyor-General of India.

SURVEY OF INDIA.

Rules and Regulations of the Mathematical Instrument Office, 15, Wood Street, Calcutta.

1. The Mathematical Instrument Office is a depot for the supply, repair and adjustment of mathematical and other instruments, employed in various Government Departments and Offices. The instruments issued may be new or second-hand at the discretion of the officer in charge. As a rule new instruments are not supplied if serviceable second-hand ones of the class required are available. Instruments when no longer required are also taken into store, from Government Departments and authorised offices, at a valuation which is given for each instrument returned.

2. All transactions regarding instruments between the Mathematical Instrument Office and other Government Departments or offices are adjusted by "book transfer."

3. Instruments, when they can be conveniently spared, may be issued on "cash payment" to Municipalities and other similar bodies and also to individual officers. With the approval of the officer in charge, instruments may also be sent to the Mathematical Instrument Office "for repairs" on similar terms. All instruments issued to Commercial Departments or on "cash payment" will be charged at cost price plus a scribable percentage to cover all charges in connection with their storage and issue.

4. The Mathematical Instrument Office cannot undertake the supply or repair of any description of electrical or telegraphic instrument, nor does it issue type, stationery or drawing materials.

5. All correspondence and all instruments sent to the Mathematical Instrument Office should be addressed to the officer in charge, Mathematical Instrument Office, 16, Wood Street, Calcutta. Telegrams should be addressed to "Surveys, Inst.," Calcutta.

6. All indents for instruments should be submitted on the annexed form O. 38, and every indent for instruments required on "book transfer" must be duly approved and countersigned, in accordance with the instructions printed on the back of the form, before the indent can be complied with. An indent sent by telegram should be subsequently confirmed by the submission by post of the usual countersigned indent, with a note on the form intimating that the instruments have already been indented for by telegram.

7. The nomenclature and cost of the different instruments, etc., generally kept in stock, are given in a price list which can be obtained *gratis* on application from the Mathematical Instrument Office. The lower prices are those of instruments which, although thoroughly serviceable, are not new. An indenting officer should enter the approximate price of each description of instrument required in the column of the indent allotted for that purpose, so as to enable the officer who countersigns and finally passes the indent to know the probable expenses it involves, and also to guide the Mathematical Instrument Office in selecting instruments to meet the demand.

8. In order to prevent misunderstandings, indenting officers should invariably state, on their indents, the size and class of the instrument required, and when ordering a scale, particular care should be taken to note its length, how divided and the purpose for which it is required.

9. All instruments returned for repair or adjustment should be despatched *freight prepaid* and at the same time, under separate cover, a requisition "for repairs" should be sent on the annexed form, O. 38a.

10. Indents should be submitted as early as possible to enable the office to make arrangements to meet the demand in case the articles are not in stock, and all instruments requiring repairs should be forwarded to the Mathematical Instrument Office as soon as they are available. It is particularly requested that, when a large supply of instruments is likely to be wanted for railway surveys or other large projects, the Mathematical Instrument Office should receive as long prior notice as possible of the probable number and description of articles required.

11. Indents and requisitions "for repairs" are not required in duplicate. The forms can be obtained on application from the Mathematical Instrument Office.

12. The mode of transit and address to which instruments are to be consigned by the Mathematical Instrument Office, as well as the address to which correspondence regarding the case is to be sent, must invariably be specified in full on the indent or requisition form; when instruments are to be despatched by post the name of the Post Office, as well as of the district in which it is situated, should be given and when by railway the nearest railway station should be distinctly stated. The forms should not be accompanied by forwarding letters unless more explanation is necessary than can be given on the face of the forms.

13. When issuing instruments, which are required on "book transfer" or despatching them after repair, the Mathematical Instrument Office sends an "invoice" in triplicate showing the amount due: one copy should be signed and returned without delay as it is required, for submission with the monthly accounts of the Mathematical Instrument Office, for adjustment by the Comptroller, India Treasuries; the other copies should be dealt with as laid down in article 96, volume I, Civil Account Code. In the case of instruments issued or repaired on "cash payment" prepayment is necessary, and, whenever it is possible, they, or the railway receipt for them, will be sent by V. P. P.

14. All Government instruments, when no longer required, should be at once despatched to the Mathematical Instrument Office, *freight prepaid*. A list of the instruments returned as "no longer required" should at the same time be forwarded by post to that Office. It is particularly requested that surplus instruments may not be retained in any Government Office as they only deteriorate and become obsolete, while, if despatched as soon as they are no longer required to the Mathematical Instrument Office, they can be overhauled, put into serviceable condition and made available for issue to other officers requiring them. The Mathematical Instrument Office is, as a rule, unable to receive instruments as "no longer required" from Departments and officers who are not entitled to deal by means of "book transfer," and it is essential before sending such to that Office to enquire if it will be convenient to receive them.

15. When Government instruments are received by the Mathematical Instrument Office as "no longer required" they are there valued according to their condition and a "valuation statement" is then sent to the officer returning them; the amount of this valuation is credited to his department or office in the monthly accounts of the Mathematical Instrument Office, for adjustment by "book transfer" through the Comptroller, India Treasuries.

16. When an officer considers that Government instruments are unserviceable and that their transit charges may nearly equal or exceed their actual value as material, a survey should be held on them by a committee of Government Officers, whose report should be forwarded to the Officer in charge, Mathematical Instrument Office, who will issue instructions as to which of the instruments should be forwarded to that Office and which should be sold

by auction locally or destroyed. Unserviceable chains, staves, tapes, etc., are seldom worth their transit charges.

17. As indents, requisitions "for repairs" and lists of instruments "no longer required" are dealt with in separate sections in the Mathematical Instrument Office, they should be kept quite distinct and should not be mixed up on the same form or list. In all cases reference should be made to any previous correspondence on the subject dealt with and, when instruments are forwarded to the Mathematical Instrument Office, it should be clearly stated whether they are "for repairs" or "no longer required."

18. The carriage of instruments is not paid by the Mathematical Instrument Office, consequently all consignments sent to it must be prepaid by the officer sending them and the freight on those despatched by that Office must be paid by the officers receiving them. Incidental charges for packing cases, etc., are included in the "invoices" or "bills." Owing to the very rough treatment which boxes, etc., often receive in transit, particular attention is drawn to the importance of packing all instruments with great care.

19. The accounts kept by the Mathematical Instrument Office do not permit of "loans" or "exchanges" and instruments cannot be sent "on approval." When instruments are required on "Government Service" for a limited time, however short, two distinct "book transfer" transactions are necessary; the instruments must be properly indented for and, when finished with, they must be returned as "no longer required."

20. In all dealings with the Mathematical Instrument Office the official forms in use in that Office, which are supplied *gratis*, must be used. The Office is conducted under Civil rules and all references to Army Regulations, Equipment Tables, etc., should therefore invariably be supplemented by a clear statement of what is required.

Assistant Surveyor-General.

RECOMMENDED

* The cost of instruments issued on "Government Service" must be adjusted by "book transfer" and by "cash payment" on all other occasions.
† All instruments, issued to Commercial Departments or on "cash payment," will be charged at cost price plus a suitable percentage to cover all charges in connection with their storage and issue.
See instructions on reverse.

INSTRUCTIONS FOR INDENTING OFFICERS.

1. All indents, correspondence, etc., should be addressed to the Officer in charge, Mathematical Instrument Office, 15, Wood Street, Calcutta. Telegrams should be addressed to "Surveys, Inst.," Calcutta. An indent sent by telegram should be subsequently confirmed by the submission by post of the usual countersigned indent, with a note on the form intimating that the instruments have already been indented for by telegram.

2. The nomenclature and cost of the different instruments, etc., generally kept in stock are given in a price list; the lower prices are those of instruments which although serviceable are not new, and, as a rule, new instruments are not supplied if serviceable second-hand ones of the class required are available.

3. The Mathematical Instrument Office cannot supply any description of electrical or telegraphic instruments, nor does it issue type, stationery, or drawing materials.

4. It is particularly requested that the sizes and sorts of instruments, lengths of scales, how divided, and purpose for which required, and generally any information which will guide the Mathematical Instrument Office in knowing, without further reference, the exact wants of the indenting officer, be entered, as far as possible, in columns (1) and (4) instead of in a covering letter. The nomenclature given in the price list should, if possible, be used.

5. Especial attention is requested to the filling up correctly of columns (5) and (7).

6. An indenting officer should enter in column (6) the approximate price of each description of instrument required, so as to enable the officer who countersigns and finally passes the indent to know the probable expense it involves, and also to guide the Mathematical Instrument Office in selecting instruments to meet the demand.

7. The mode of transit and address to which instruments are to be consigned by the Mathematical Instrument Office, as well as the address to which correspondence is to be sent, must invariably be specified in full in column (8). (Abbreviations sometimes lead to mistakes.) When instruments are to be sent by post, the name of the Post Town as well as the District in which it is situated should be given, and when by Railway, the nearest Railway Station should be distinctly stated. Indents should not be accompanied by forwarding letters unless more explanation is necessary than can be given on the face of the forms.

8. In the case of instruments issued on "cash payment" *prepayment* is necessary and, whenever it is possible, they, or the railway receipt for them, will be sent by V. P. P.

9. The forms for indent, O. 38, and for requisition "for repairs," O. 38a, as well as the rules and regulations and the price list, can be obtained *gratis* on application from the Mathematical Instrument Office.

10. All indents for instruments, etc., required on "book transfer" must be duly approved and countersigned, viz.—

15. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

No. 1, Certificate of the opium advertised for sale;

No. 2, Report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1904-1905, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cake, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

The following are the conditions of sale:—

1. The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.
2. The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.
3. The sale shall commence at the hour of 11 a.m. of the day fixed by previous notification, and shall not be continued after the hour of 5 p.m., but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of

Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4. Each lot shall contain five chests.

5. A Promissory Note for a sum, calculated according to the scale, noted in the margin,

DEPOSIT.

When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.
And so on, Rs. 100 being added to the deposit for every bid additional to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 P.M., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots

for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7. The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8. No tender of money, Bank of Bengal receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9. The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and, in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10. Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests ordinarily required to be included in each certificate or order.

11. No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal receipts, or Government securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first bona fide bidder for a lot, after it has been offered

for sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale, shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—

No. 1, Certificate of the opium advertised for sale;

No. 2, Report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1904-1905, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

The following are the conditions of sale:—

1. The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2. The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.

3. The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M., but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of

Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4. Each lot shall contain five chests.

5. A Promissory Note for a sum, calculated according to the scale, noted in the margin,

DEPOSIT.

When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.

On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.

On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.

And so on, Rs. 100 being added to the deposit for every bid additional to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 P.M., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots

for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7. The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale or 1-30 P.M., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8. No tender of money, Bank of Bengal receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9. The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and, in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10. Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests ordinarily required to be included in each certificate or order.

11. No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal receipts, or Government securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by 10s. 6d. at a time until a bid is obtained; and the first bona fide bidder for a lot, after it has been offered

for sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—

No. 1, Certificate of the opium advertised for sale;

No. 2, Report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1904-1905, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

6. The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7. The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale or 1-30 P.M., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8. No tender of money, Bank of Bengal receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9. The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and, in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10. Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests ordinarily required to be included in each certificate or order.

11. No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal receipts, or Government securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first bona fide bidder for a lot, after it has been offered

for sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—

No. 1, Certificate of the opium advertised for sale;

No. 2, Report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1904-1905, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

REVENUE DEPARTMENT.

NOTIFICATIONS.

No. 3667 L.R.—The 21st December 1905.—In exercise of the power conferred on him by section 3 of the Bengal Survey Act, V (B.C.) of 1875, the Lieutenant-Governor of Bengal is pleased to direct that a survey shall be made of all lands situated within the external boundaries of the Dhalbhum estate in the district of Singhbhum, and that the boundaries of estates, tenures, mauzas and fields shall be demarcated on the lands to be surveyed.

No. 3668 L.R.—The 21st December 1905.—Under section 4 of the Bengal Survey Act, V, (B.C.) of 1875, Mr. T. W. Babonau, Extra Assistant Superintendent, Survey of India, is appointed to be an Assistant Superintendent of Survey in the districts of Midnapore and Singhbhum.

No. 3669 L.R.—The 21st December 1905.—Under section 4 of the Bengal Survey Act V, (B.C.) of 1875, Mr. T. W. Babonau, Extra Assistant Superintendent of Survey, Survey of India, is appointed to be an Assistant Superintendent of Survey, in the district of the Southal Pargana, for the survey of the portion of that district lying south of the river Ganges and north of its southern high bank.

No. 3670 L.R.—The 20th December 1905.—It appears that an application has been made by Babu Bhuban Chunder Banerji, Zamindar of Mahal Jobat, pargana Mynachor, in the district of Midnapore, to the Collector of that district, praying that the Rajbundi bund in Hooda No. 8, pargana Moyna, in that district, which connected two Zamindari Embankments Amdia and Bansulia in the same pargana and was only 200 feet in length, might be added to the lists of Takavi Embankments in the district which were maintained by Government. The Executive Engineer, Coeyo Division, after inspecting the bund, has now submitted a report to the effect that the efficient drainage of Hooda No. 8, comprising 23 villages, depended on the maintenance of that bund and has recommended that it should be taken charge of and maintained by the officers of Government under clause (1) of section 7 of Act II (B.C.) of 1882. It appears also that to prevent the occurrence of imminent danger to life and property, the Executive Engineer has taken immediate possession of the bund in accordance with an order issued by the Collector under section 25 of the Act and reconstructed it to its full section. Inasmuch as no one has objected to the proceedings taken by the Collector in response to a general notice issued by him under section 7 of the Act and he has reported his action, through the proper channel, for confirmation by Government, the Lieutenant-Governor, after considering the report and the opinion expressed by the Commissioner of the Burdwan Division and the Board of Revenue in favour of the action taken by the Collector, is pleased to declare, under section 14 of the Act, that the said Rajbundi bund shall be a "public embankment" under the Act.

RULES FOR GRANTS-IN-AID TO COLLEGES IN BENGAL SANCTIONED IN BENGAL GOVERNMENT ORDER No. 2888T.-G., DATED THE

**27th OCTOBER
1905.**

(1) Government from time to time sanctions grants-in-aid to colleges not under Government management, which work according to the Transfer Rules of the Department and which fulfil the conditions prescribed in the following rules.

(2) Annual grants are given in aid of ordinary recurring expenditure. Special grants are given in aid of non-recurring expenditure of a special character. Temporary grants are also given in aid of boarding establishments, in accordance with the principle laid down by the Government of India that boarding-houses and hostels should be made self-supporting, so far as recurring expenditure is concerned.

(3) Grants-in-aid are given on the principle of strict religious neutrality, and no preference will be shown to any college on the ground that any particular religious principles are or are not taught therein.

(4) Applications for grants-in-aid are made direct to the Director of Public Instruction in the case of first grade colleges and through the Divisional Inspector of Schools in the case of second grade colleges.

(5) Grants-in-aid will be given only to such colleges as require the payment of fees from their students. The fee-rates shall be fixed in consultation with the Director of Public Instruction at the time when the application for a grant is being made or renewed.

(6) Free-studentships shall not ordinarily exceed 5 per cent. of the total number of pupils on the rolls. The governing body of colleges are at liberty to admit, in addition to the 5 per cent. allowable, Muhammadans as free students up to the limit of 8 per cent. of the total number of students on the rolls, but not exceeding 12 in all. Colleges requiring special arrangements for free students must obtain the sanction of the Director of Public Instruction.

(7) The governing body of any college by whom application for a grant is made must appoint a Secretary from among themselves, or some responsible member of the staff, to conduct their correspondence with the Department. Every change of Secretary must be notified to the Director of Public Instruction under the signatures of the new Secretary and the Chairman of the governing body.

(8) Before a grant-in-aid is given or renewed, full information must be supplied on the following points, on which the amount of the grant, if given, will depend :—

- (a) The constitution of the governing body, and the names of its members, together with their professions.

- (d) The names, qualifications and salaries of the teaching staff, and the conditions governing their tenure of office.
- (e) The average monthly receipts from fees, Government grants and other sources, and the average total monthly expenditure of the college in detail for each of the preceding three years.

- (g) The rate of fees charged in each class.
- (h) The results of public examinations during each of the preceding three years.

- (k) The amount of aid sought.
- (l) The treasury at which the grant, if sanctioned, is to be payable.
- (m) The name and the class of the college or colleges within ten miles of the Institution.

(9) Every new election to the governing body must be notified to the Director of Public Instruction under the signature of the Secretary and the member or members elected, in the case of first grade colleges, and, through the Divisional Inspector of Schools, in the case of second grade colleges. If the governing body is not considered to be sufficiently representative, the Director may suggest any necessary alterations.

(10) No grant shall be given, or, if given, it shall be withdrawn, unless the particulars given in connection with Rule 8 (b) are satisfactory.

(11) No new building shall be constructed for the college until the plan and estimates have been approved by the Director of Public Instruction.

(12) The appointment and dismissal of every Principal, Professor or Lecturer shall be notified to the Department. The Department shall have power to enquire into any case of removal of a member of the teaching staff.

(13) No grants shall be given, unless the conditions of residence of students are satisfactory, and unless due attention is paid to this point by the authorities of the college.

(14) Any college to which aid is given, together with all its account books and other records, shall at all times be open to inspection by the Director of Public Instruction, or a senior officer of the Department who may be deputed by Government for the purpose. In the case of second grade colleges, all account books and other records shall at all times be open to the inspection of the Divisional Inspector of Schools.

(15) All receipts from whatever sources or for whatever purposes collected must be entered in the account books of the college.

(16) Any balance at the credit of the college must be employed for college purposes only, and no portion of it shall be spent for any other purpose without the previous sanction of the Director of Public Instruction.

(17) The surplus funds of the college must be placed to the credit of the college in some Bank at the end of each quarter, and the account should be made out in the joint names of the Secretary and one of the members of the governing body who will be selected for the purpose by that body.

(19) At visits of inspection, the inspecting officer shall enquire into the information supplied in accordance with the provisions of Rule 8, and also into—

- (a) the efficiency of the teaching ;
- (b) the state of discipline ;
- (c) the adequacy of the professorial staff, college library, teaching appliances and equipment of laboratories ;
- (d) the courses of study, subjects taught, routine of work and arrangements for exercises and tutorial assistance ;
- (e) the strictness with which the college registers are kept and the transfer rules observed ;
- (f) the degree of efficiency attained in the supervision of the hostels and messes attached to the college.

(20) Grant-in-aid colleges shall as a rule follow the rules in Government colleges in the matter of holidays. Exceptions may be made under special circumstances and with the sanction of the Director of Public Instruction.

(21) Government may claim a fair share of any balance at the credit of a grant-in-aid college at the time of its abolition, as well as of the sale proceeds of any college building or furniture towards the erection or purchase of which a grant may have been made by Government.

Annual Grants.

(22) Annual grants-in-aid shall not exceed in amount the sums to be expended from private sources (after excluding the fees of scholars), except in special cases, under special orders of Government.

(23) Grants will be sanctioned ordinarily for a period of three years ; but the Director of Public Instruction may, at any time during its currency, recommend the revision of any grant for reasons to be stated, and to which the college authorities shall have an opportunity of replying.

(24) The grant is payable every month or every quarter at the option of the Department.

(25) The monthly or quarterly bill in the accompanying form must be sent in duplicate to the Director of Public Instruction for countersignature, and must be accompanied by a certificate that all salaries due for, and up to, the previous month have been paid in full.

(26) The monthly bill and the certificate must be signed by the Secretary of the governing body or the Principal of the college.

(27) Salaries for service in any month become due on the first day of the following month:—

SPECIAL GRANTS.

(28) Grants may be given to the governing body of colleges in aid—

- (a) of erecting, enlarging or furnishing college buildings;
- (b) of executing extensive repairs; and
- (c) in special cases, of paying off debts incurred in erecting or enlarging college buildings.

NOTE 1.—Expenditure in the purchase of buildings may be treated as expenditure in the erection of buildings.

NOTE 2.—The sum to be allotted annually for building grants to colleges will be fixed provisionally for a term of years. It will not, in ordinary circumstances, be reduced, though it may be increased for any year during that term.

NOTE 3.—Every application for a grant must be submitted to the Department not later than the 31st December, if the grant is to be admissible for sanction during the following financial year. If found to be in accordance with the rules, and in other respects deserving of support, it will be included in the list of 'approved applications.' If not so included the reasons shall be notified to the governing body.

NOTE 4.—In case of an application for a repair grant under this rule (3), the governing body will be required to show that the necessity for such a grant has not arisen from the neglect of current repairs in previous years.

(29) Except in the case of the foregoing rule, no grant shall be made in consideration of former expenditure in college buildings.

(30) In general the proportion of the Government contribution made under Rule 28 shall not exceed one-half of the amount guaranteed from private sources.

(31) Before a building grant is sanctioned, the site, plans, estimates, specifications, title and draft-trust deeds must be approved by the Director of Public Instruction. If the college receives no monthly grant, the governing body must also satisfy the Department that it is likely to be maintained in efficiency and that it will be open to inspection.

(32) The trust-deed must declare the building to be granted in trust for college purposes only. It must also provide for the legal ownership of the premises, for the proper maintenance of the building and for the inspection and management of the college.

NOTE (1)—This rule does not preclude the governing body from using the building for other purposes, subject, if necessary, to the sanction of the Department, when not required for the purposes of the college.

NOTE (2)—When the grant does not exceed Rs. 1,000, the governing body may execute a deed of acceptance in place of a trust-deed—vide Government order No. 584, dated the 13th November 1890.

(33) No grant is finally sanctioned until a certificate is received from the governing body setting forth that the funds in their hands will, when added to the grant, be sufficient to meet all claims and to close the account.

(34) Advances may be made from time to time out of the sanctioned grant on receipt of a report from the Public Works Department that the work is proceeding satisfactorily.

(35) The grant is not paid in full until:—

- (1) a report is received from the Public Works Department or other sufficient authority that the building is satisfactorily completed;
- (2) the trust-deed is duly registered and lodged with the Department.

NOTE.—"Title-deeds of property mortgaged to Government on account of building grants may, as hitherto, remain with the mortgagor,"—vide Government order No. 44T.—G., dated the 16th June 1890.

The following are the conditions of sale:—

1. The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2. The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.

3. The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M., but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4. Each lot shall contain five chests.

5. A Promissory Note for a sum, calculated according to the scale, noted in the margin,

DEPOSIT.

When the amount bid is less than Rs. 1,500 per chest, Rs. 200 per chest.
On bids of Rs. 1,500 and upwards, but less than Rs. 2,000 per chest, Rs. 500 per chest.
On bids of Rs. 2,000 and upwards, but less than Rs. 2,500 per chest, Rs. 400 per chest.
And so on, Rs. 100 being added to the deposit for every bid additional to the amount of Rs. 500.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 P.M., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever

attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expense thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7. The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 p.m. of the fifth day following the day of sale or 1-30 p.m., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8. No tender of money, Bank of Bengal receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9. The opium advertised for sale shall be paid for not later than by 3-30 p.m. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 p.m.; and, in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10. Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots or of a different number of lots or chests, whether more or less, than the number of lots or chests ordinarily required to be included in each certificate or order.

11. No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal receipts, or Government securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first *bona fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—

No. 1, Certificate of the opium advertised for sale;

No. 2, Report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1904-1905, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the sheets, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to sheets after the sale and delivery of the opium for shipment.

By order of the Board of Revenue, L. P.

Columns are also provided in Form XXIIIB for information required in regard to the names of officers which appeared in Form XXIIIA of the previous year, but are now omitted, as also regarding officers who have been on leave, other than privilege leave, or under suspension, during the previous year. In the case of any who have been under suspension, a note is required stating whether it has been expressly declared that the period of suspension shall count as service qualifying for pension.
- (f) If any person on the establishment is a Government pensioner, or is not the servant of the District Board solely, the fact should be noted in the statement. If he be an officer transferred from the pensionable service of Government, for whose pension contribution is paid, a note should be entered against his name to the effect "Contribution paid to Government for pension."

When completed in accordance with the preceding instructions, the statement should be carefully checked with the service-books, as it will be the authority by which hereafter pension claims will be tested by the Accountant-General.

GENERAL.

4. All the accounts and registers of the Joint-Committee shall be kept in English. All books of accounts and registers shall be substantially bound and paged before being brought into use, and no accounts shall be prepared on loose sheets of paper or in loosely-bound volumes.

5. All corrections and alterations in accounts shall be neatly made in red ink and attested by the initials of the President. All corrections and alterations in a voucher shall be attested by the payee. *Erasures shall on no account be permitted in registers, statements, vouchers or accounts of any description.*

6. After the budget estimates for the year, or supplementary estimates, have been sanctioned, the Joint-Committee, acting in the exercise of the powers conferred on them by section 32 (e) of the Act, or the rules made under the said section of the Act, may from time to time, by a general or special Resolution, authorize the President or other executive officer of the Committee to expend any sum, or a part of any sum provided in such estimates, for the purpose to which it has been therein assigned.

7. No expenditure shall be incurred for which provision has not been made in the budget estimate for the year, or in a supplementary budget estimate, and which has not been duly

sanctioned by the Joint-Committee, or by the President or other executive officer of the Committee acting in exercise of the powers conferred on him by the rules made under the Act.

8. The President shall cause to be kept a register of establishment in Form No. X, showing, in respect of all establishment whatsoever employed by the Joint-Committee, the particulars specified in the form. A separate page or section shall be allotted to each class of establishment. All changes made by competent authority from time to time in the numbers, nomenclature, or salaries of the establishment shall be immediately entered in the register with the number and date of the orders authorizing the change. A space should be left under each name for the entry of alterations, and a fresh corrected list should be written up annually or as often as required. No entries regarding officiating incumbents, or grant of leave, should be made in this register.

9. At the close of every year the President of the Joint-Committee shall submit to the Commissioner of the Division a list of those records of the Joint-Committee's office which may properly be destroyed. In giving sanction to the destruction of such records, the Commissioner shall be guided by the general rules issued by Government from time to time on this behalf.

LOSS OF MONEY BY EMBEZZLEMENT, THEFT OR OTHERWISE.

10. Whenever any loss of money by embezzlement, theft or otherwise is discovered, the fact shall be promptly reported by the President of the Joint-Committee to the Accountant-General, Bengal, and to the Commissioner of the Division through the District Magistrate. When the matter has been fully enquired into, he shall submit a further and complete report showing the total sum of money lost, the manner in which the money was lost and the steps taken to recover the amount and punish the offenders, if any. No money lost by defalcation, theft or otherwise shall be written off from the accounts, except with the sanction of the Commissioner of the division. When the amount of the loss exceeds Rs. 500 or when the loss is due to any defect in the system of accounts, collection, etc., the sanction of Government is necessary.

BUDGET ESTIMATE.

11. On or before the 1st September each year the Joint-Committee shall, in consultation with the Inspector of Schools, prepare a budget estimate, showing the probable receipts and expenditure of the institution under its charge for the ensuing official year, and shall forward copies of the same to the Magistrate through the Municipality and the District Board concerned, and one copy to the Director of Public Instruction also. The Magistrate and the Director of Public Instruction shall forward the estimates to the Commissioner of the Division with their remarks on or before the 1st October. Copies of the estimates, as sanctioned by the Commissioner, shall be forwarded to the Joint-Committee, the District Board and the Municipality, through the Magistrate.

12. The procedure laid down in the last preceding rule shall be observed in every case where the Joint-Committee may find it necessary to amend the budget estimate at any time after it has been sanctioned.

13. In preparing the budget estimates the Joint-Committee shall show on the receipt side the contributions by the Municipality and the District Board and the receipts of the institution from fees, endowments and other sources, and on the payment side the establishment, contingent and other charges which have been sanctioned by competent authority. The budget estimate shall be supplemented by a statement, giving details of the estimated receipts from school fees and other sources and of the establishment and works provided for on the expenditure side.

TRANSACTIONS WITH THE TREASURY.

14. The funds of the Committee shall be lodged in the Government Treasury and placed to the credit of a Personal Deposit Account to be opened in the official name of the President of the Joint-Committee.

15. Remittances to the treasury should in all cases be accompanied by cheques in duplicate (Form No. II). The first part shall be retained by the treasury, and the counter-foil, duly receipted by the treasury officials, should be returned to the Committee's office for record.

16. All moneys remitted to the treasury to credit of the Joint-Committee and all payments made by the treasury on cheques or otherwise on account of the Joint-Committee shall be entered in a pass-book; the pass-book shall remain in the custody of the President, and it shall be sent to the treasury on the 10th and also on the last working day of every month and on any other day on which the Joint-Committee may require the posting to be done. On receipt of the pass-book by the treasury officials, the receipts and payments up to date, and the credits referred to in rule 21, shall be entered therein, and (when the book is received on the last working day of the month) the accounts shall be balanced and signed by the Treasury Officer, the amount being entered in words as well as figures. The book shall then be returned to the office of the Joint-Committee, as soon as the entries prescribed in this rule have been made in it, i.e., on the day of receipt or the next open day at the latest.

17. The pass-book will be supplied by the treasury. It is not a Joint-Committee Fund account-book, but is simply a copy of the account kept in the treasury of the money paid into the credit of, and disbursed on account of, the Joint-Committee, and must therefore

32. Every cheque drawn for a sum, whether exceeding Rs. 20 or not, shall bear a receipt stamp of the value of one anna, and such receipt stamp shall be affixed before the cheque is signed.

33. When a signed cheque is cancelled, it shall be enfaced or stamped "cancelled" by the President, and shall be destroyed and the necessary adjustment shall be made in the cash-book.

34. The fact of cancellation shall be noted in red ink under the initials of the drawer of the cheque upon the counterfoil and also across the passing order which has been enfaced upon the voucher.

35. Cheques are current for three months only. After the expiration of that period, payment will be refused at the treasury, and the person in whose favour the cheque was drawn will, therefore, have to bring it back to be re-dated. No fresh cheque should be issued; the lapsed cheque shall simply be re-dated and the alteration initialled by the President or official whose duty it would be to sign the cheque under rule. A note of the fact of re-dating shall be entered in the cash-book against the original transaction. The alteration will in no way affect the accounts, and no further entries shall be made.

36. Every bill or other claim for payment from the Joint-Committee Fund shall be presented in the first instance to the Head of the Educational Institution who shall check and examine it, and if it be found correct and in order, shall submit it for orders to the President. If payment of the bill so presented is to be made, an order for the payment shall be endorsed upon it. The order for payment shall run as follows:—"Pay Rupees

only (Rs.)," the amount being written in words as well as in figures, and shall be signed by the President.

37. If payment is to be made from the permanent advance, the procedure laid down in rules 49 to 53 shall be adopted.

38. If payment is to be made by cheque, the President shall cause the bill to be endorsed with the words "paid by cheque No. ," and shall then sign the endorsement, and cause the cheque to be drawn out, signed and issued. The payee or person taking delivery of the cheque on his behalf shall give a dated acknowledgement of the receipt thereof on that bill. Whenever necessary and convenient to the treasury, cheques issued from the Joint-Committee's office may be enfaced at the district treasury for payment at a sub-treasury.

39. When any payment is made either by cheque or in cash from the permanent advance, it shall be immediately entered in the accounts of the Joint-Committee. In the former case it shall be entered in the cash-book (Form No. III). In the latter case, it shall be entered in the permanent advance account (Form No. VII).

40. Every payment made, either in cash or by cheque, shall be covered by a receipt, stamped if necessary, signed by the person to whom the money is due and to whom it has actually been paid. A receipt signed by another person for the creditor, or with a stamp, is invalid.

41. Bills and vouchers that have been paid by cheque shall be numbered consecutively for the year in order of payment, and shall be pasted in a guard-book. But sub-vouchers, which have been paid in cash out of the permanent advance, shall be separately filed, together with the recoupment voucher covering them. A memorandum instead of this voucher shall be pasted into the guard-book mentioned above, viz.:-

MEMORANDUM.

Voucher No. , dated , for Rs. in recoupment of the President's permanent advance, will be found in the separate file.

CASH-BOOK.

42. The cash-book shall be in Form No. III and shall show on the receipt side all sums realized in cash as soon as they are received. Sums credited in the pass-book direct should be similarly shown as soon as intimation is received either direct or through the pass-book. Expenditure shall be entered day by day as cheques are issued (*vide* rule 39 of these rules). All sums received in cash must be remitted to the treasury at once, or within three days at the latest.

43. The cash-book shall be closed and balanced at the end of every month and shall be signed by the President. The difference between the closing balance of the cash-book and that in the treasury arising from uncashed cheques or short credits shall be reconciled in the following manner:—

				Rs.
Balance as per cash-book
Add—Uncashed cheques
				—
Deduct—Short credits
				—
Balance as per pass-book
				—

PERMANENT ADVANCE.

44. On first receiving or taking charge of the permanent advance, the President shall sign and file an acknowledgement in these terms:—"I acknowledge to have in my possession a permanent advance of Rupees (Rs.), which sum is due from me to the Joint-Committee, and I am personally accountable for the amount."

45. A similar acknowledgment shall also be given by the President on the first working day of each year.

46. The permanent advance when first drawn shall be charged in the cash-book to the head "Advances," and shall be debited to the President's account in the advance ledger.

47. There will be no further operations upon the ledger account until the advance is finally repaid. It need not be repaid at the end of each year. If the amount originally fixed for the permanent advance is subsequently increased or decreased by the Joint-Committee, the original advance shall be repaid and a fresh advance drawn.

48. The President shall make payments from his permanent advance from time to time as may be required, and for each payment he shall obtain and hold a bill receipted by the payee, or, in the case of petty office expenses, a written detailed statement of the sum spent.

49. These bills or statements shall be numbered consecutively, en faced or stamped "paid in cash," and entered in the register in Form VII, the classification of the charges being carefully entered in the columns provided for the purpose.

50. The permanent advance may be recouped whenever necessary, and it must always be recouped on the last working day of the month, except when the expenditure falls below Rs. 10, for which no cheques can be drawn upon the treasury.

51. The procedure of recoupment is as follows:—The President shall compare the sub-vouchers with the entries in the permanent advance account; he shall deface them by stamping them "cancelled," so that they cannot be used again. He shall total and initial the column "Amount of sub-voucher" in the permanent advance account, and also the amounts in the classification columns, the cross total of which should agree with the total of the column "Amount of sub-voucher," and shall rule a red ink line across the page, immediately above which, in the last two columns, the number, date and amount of the voucher for recoupment shall be shown.

52. The voucher for recoupment shall be drawn out in Form No. VIII, and it shall be en faced with the usual payment order. The President shall draw out a cheque in his own favour for the amount, and sign the certificate in the voucher and the entries in the last two columns of the register.

MONTHLY, QUARTERLY AND ANNUAL ACCOUNTS.

53. As soon as possible, after the end of a month, the entries on the receipt side of the cash-book (Form No. III) shall be posted in the register of monthly receipts (Form No. IV) against the heads concerned. In cases in which there is more than one item classifiable under the same head, the total only should be posted against the head in the body of the accounts, the details being posted at foot in the column for the month concerned. All the payments entered in the cash-book should be posted in the monthly register of payments (Form No. V). For this purpose the classification of the charges should be noted in red ink on each voucher. The vouchers should then all be arranged in the order of the heads in the monthly accounts. If there are more than one voucher under any head, the several items with the numbers of the vouchers should be posted at foot of the monthly account in the column for the month concerned, and the total only posted against the head in the body of the account, the two entries being connected with each other by indicative letters. In such cases the numbers of the vouchers should not be posted in the body, but only against the details at foot. The monthly accounts of receipts and payments should then be totalled and the balances reconciled.

54. An extract from these accounts, showing the figures for the month and the progressive totals to the end of it, should be forwarded to the Accountant-General, Bengal, not later than the 15th of the month following that to which the accounts relate.

55. The annual account of the school should be compiled from the monthly accounts and subsidiary registers in the form prescribed by the Educational rules, and copies of this account should be forwarded to the Accountant-General, the Director of Public Instruction, and the District Board and Municipal Office.

ADVANCES AND DEPOSITS.

56. All sums advanced to officers or employees of the Joint-Committee or to contractors or other persons, whether as permanent advances or otherwise, shall be charged in the accounts at once to the head "Advances" and be entered at the same time in the register of advances in Form No. IX, in which recoveries or adjustments of the advances should also be entered as soon as they are effected.

AUDIT.

57. The accounts of the Joint-Committee's Fund shall be examined and audited by the Examiner of Local Accounts in Bengal as far as possible not less often than once in twelve months.

58. In auditing the accounts, the Examiner shall see that they have been kept and are presented in proper form, that the particular items of receipt and expenditure are stated in sufficient detail, and that the payments are supported by adequate vouchers and authority. He shall examine whether all sums received, or which ought to have been received, are brought into account, and also whether the expenditure is in all cases such as might lawfully be made. He shall also reduce such payments and charges as are exorbitant; and shall surcharge moneys not duly accounted for, or lost by negligence, upon the person who ought to account for the same, or whose negligence or improper conduct has caused the loss, and shall disallow and strike out such payments as are not authorized by law or competent authority.

59. Copies of the reports of such examination shall be forwarded by the Accountant-General, Bengal, to the President of the Joint-Committee and the Commissioner of the Division. The President shall be bound to remedy any defects or irregularities that may be pointed out by the Accountant-General or the Examiner, and within three months of the date of the receipt of the report, he shall submit a statement, giving particulars of the action taken thereon to the Commissioner, who shall forward the same with his remarks to the Accountant-General.

RECORD OF SERVICE.

60. A service-book in Form No. XI, printed in English and the vernacular, shall be supplied at his own cost to every employé holding a substantive appointment on the permanent establishment of a Joint-Committee. It shall be kept in custody of the President, whose signature as well as that of the employé on the first page shall be attested every five years.

The service-book is a contemporary record of the employé's official life, including leave of every description, every period of suspension from employment, and every other interruption of service, with full details of its duration. Every entry relating thereto shall be written across the page and attested by the President or Vice-President, or the Secretary.

61. The President or Vice-President is primarily responsible that every necessary entry is made, especially in regard to leave or suspension, but it is also the duty of each employé to remind the President, Vice-President, or Secretary, when any entry is necessary, and to see that his own service-book is properly written up and attested. It should be carefully explained to each employé that, unless he does so, there may be a difficulty hereafter in verifying his service when his claim to pension shall come to be investigated and considered. Service-books shall be introduced and kept up, whether rules for the grant of pensions and gratuities have been framed or not.

At the time of preparing the pay-bill for March in each year, a detailed statement of the permanent pensionable establishment existing on the 1st April should be prepared in Form No. XII and transmitted to the Accountant-General direct not later than the 15th April. In preparing the statement the following instructions should be carefully observed:—

- (a) The name, designation, and pay of every officer, clerk, or manual servant holding a permanent appointment, whether on duty, or absent on leave or deputation, or under suspension, should be distinctly shown.
- (b) The date of birth, of appointment to present post, and of promotion to present pay of each person should be entered in the appropriate columns of the statement; the date of birth by Christian era should be given, and if the exact date is not known, the approximate date or year should be stated.
- (c) The name of any person acting in an appointment, as well as the acting allowance paid to him, should be shown in the column "Name of Incumbent" beneath the name of the absentee for whom he is officiating.
- (d) If the acting incumbent holds a permanent appointment upon another establishment, the fact should be stated.
- (e) A detailed statement in Form XIII should be given at foot of the original return, Form XII, showing new names of officers which are not found in the return of the previous year, and when their new names include those of persons who have entered the service of the Joint-Committee for the first time, their age and health certificates should be attached to the statement. Columns are also provided in Form XIII for information required in regard to the names of officers which appeared in Form XII of the previous year, but are now omitted, as also regarding officers who have been on leave, other than privilege leave, or under suspension, during the previous year. In the case of any who have been under suspension, a note is required stating whether it has been expressly declared that the period of suspension shall count as service qualifying for pension.
- (f) If any person on the establishment is a Government pensioner, or is not the servant of the Joint-Committee solely, this fact should be noted in the statement. If he be an officer transferred from the pensionable service of Government, for whose pension contribution is paid, a note should be entered against his name to the effect "contribution paid to Government for pension."

When completed in accordance with the preceding instructions, the statement should be carefully checked with the service-books, as it will be the authority by which hereafter pension claims will be tested by the Accountant-General.

8. At the close of every year the President of the Joint-Committee shall submit to the Commissioner of the Division a list of those records of the Joint-Committee's office which may properly be destroyed. In giving sanction to the destruction of such records, the Commissioner shall be guided by the general rules issued by Government from time to time on this behalf.

LOSS OF MONEY BY EMBEZZLEMENT, THEFT OR OTHERWISE.

10. Whenever any loss of money by embezzlement, theft or otherwise is discovered, the fact shall be promptly reported by the President of the Joint-Committee to the Accountant-General, Bengal, and to the Commissioner of the Division through the District Magistrate. When the matter has been fully enquired into, he shall submit a further and complete report showing the total sum of money lost, the manner in which the money was lost and the steps taken to recover the amount and punish the offenders, if any. No money lost by defalcation, theft or otherwise shall be written off from the accounts, except with the sanction of the Commissioner of the division. When the amount of the loss exceeds Rs. 500, or when the loss is due to any defect in the system of accounts, collection, etc., the sanction of Government is necessary.

BUDGET ESTIMATE.

11. On or before the 1st September each year the Joint-Committee shall, in consultation with the Inspector of Schools, prepare a budget estimate, showing the probable receipts and expenditure of the institution under its charge for the ensuing official year, and shall forward copies of the same to the Magistrate through the Municipality and the District Board concerned, and one copy to the Director of Public Instruction also. The Magistrate and the Director of Public Instruction shall forward the estimates to the Commissioner of the Division with their remarks on or before the 1st October. Copies of the estimates, as sanctioned by the Commissioner, shall be forwarded to the Joint-Committee, the District Board and the Municipality, through the Magistrate.

NOTE - At the preliminary stage, the Inspector shall act as an adviser, and if after the budget is finally adopted by the Joint Committee, there is something in it not approved by him, he may represent matters to the District Board; and if his views are not accepted, he may refer matters to the Commissioner, who shall settle the matter in consultation with the Director of Public Instruction.

12. The procedure laid down in the last preceding rule shall be observed in every case where the Joint-Committee may find it necessary to amend the budget estimate at any time after it has been sanctioned.

13. In preparing the budget estimates the Joint-Committee shall show on the receipt side the contributions by the Municipality and the District Board and the receipts of the institution from fees, endowments and other sources, and on the payment side the establishment, contingent and other charges which have been sanctioned by competent authority. The budget estimate shall be supplemented by a statement, giving details of the estimated receipts from school fees and other sources and of the establishments and works provided for on the expenditure side.

TRANSACTIONS WITH THE TREASURY.

14. The funds of the Committee shall be lodged in the Government Treasury and placed to the credit of a Personal Deposit Account to be opened in the official name of the President of the Joint-Committee.

15. Remittances to the Treasury should in all cases be accompanied by cheques in duplicate (Form No. II). The first part shall be retained by the Treasury, and the counterfoil, duly receipted by the Treasury officials, should be returned to the Committee's office for record.

16. All moneys remitted to the Treasury to credit of the Joint-Committee and all payments made by the Treasury on cheques or otherwise on account of the Joint-Committee shall be entered in a pass-book; the pass-book shall remain in the custody of the President, and it shall be sent to the Treasury on the 10th and also on the last working day of every month and on any other day on which the Joint-Committee may require the posting to be done. On receipt of the pass-book by the Treasury officials, the receipts and payments up to date and credits referred to in rule 21, shall be entered therein, and (when the book is received on the last working day of the month) the accounts shall be balanced and signed by the Treasury Officer, the amount being entered in words as well as figures. The book shall then be returned to the office of the Joint-Committee, as soon as the entries prescribed in this rule have been made in it, i.e., on the day of receipt or the next open day at the latest.

17. The pass-book will be supplied by the Treasury. It is not a Joint-Committee Fund account-book, but is simply a copy of the account kept in the Treasury of the money paid into the credit of, and disbursed on account of, the Joint-Committee and must

therefore always be written up *only by the Government Treasury Department* by whom the original account is kept.

18. No entries or marks shall under any circumstances be made in the pass-book by any one connected with the Joint-Committee's office.

19. The President shall examine this pass-book from time to time, and shall immediately call the attention of the Treasury Officer to any discrepancy that may appear between the credits and debits shown in the pass-book and those shown in the accounts of the Joint-Committee's office.

20. The form of the pass-book is as follows:—

Dr. *The Treasury or Bank of in Account Current*
with the Joint-Committee's Fund Cr.

1	2	3	4	5	6	7	8	9	10				
Monthly consecutive number of item of receipt.	Date.	No. of cheque.	Initials of Treasury Officer.	Amount.			Monthly consecutive number of item of payment.	Date.	No. of cheque.	Initials of Treasury Officer.	Amount.		
				Rs.	A.	P.					Rs.	A.	P.

21. When a grant is made to the Joint-Committee's Fund from Provincial revenues, either as a general grant-in-aid, or for expenditure on any specific object, the Accountant-General shall, in the first case, at the beginning of the year, or in the second case, on receipt of orders, instruct the Treasury Officer to credit the amount of the grant to the Joint-Committee's Fund. The credit shall be made by book transfer; no bill or cheque shall be drawn, and no money shall be paid out of the Treasury.

PAYMENT OF CLAIMS.

22. For the payment of petty charges, the President shall hold a permanent advance of such amount as the Joint-Committee may fix from time to time; provided that, without the sanction of the Commissioner, the Joint-Committee shall not fix the amount of the permanent advance at more than Rs. 50.

23. The permanent advance shall be recouped as often as may be necessary in the manner prescribed in rules 51 and 52 below.

24. Payments of not more than Rs. 20 shall be made from the permanent advance, provided that no charge on account of the salary of any employé of the Joint-Committee shall be made otherwise than as prescribed in rules 25 and 30.

25. All payments exceeding Rs. 20 shall be made by cheque, unless there are special circumstances rendering payment in cash desirable; provided that all payments of sums above Rs. 10 on account of salaries of employés of the Joint-Committee shall be made by cheque.

26. Cheque-books will be supplied by the Treasury Officer only, and no other form shall be used. The cheque-books and the counterfoils of used cheques shall be kept in the custody of the President.

27. On receipt of a cheque-book from the Treasury, the officer to whom the duty of signing cheques is allotted shall count the cheques, and shall record on the back of the cheque-book that "this cheque-book contains . . . forms."

28. Cheques for sums not exceeding Rs. 100 shall be signed by the President. Cheques for sums exceeding Rs. 100 shall be signed by the President and the Vice-President or Secretary or, in the absence of one or other of them, by the officer present and a member of the Joint-Committee.

29. No cheque shall be signed unless required for immediate delivery to the person to whom the money is to be paid, nor until the bill, which it will discharge, has been presented in a complete form, examined and passed for payment in accordance with rules 26 and 28.

30. Every cheque shall be drawn in English in favour of the person to whom the money is actually due. Payment shall not be made to any other person, except on production of a written authority from the creditor to receive it on his behalf. The rule does not apply to cheques issued for a sum of money distributable as pay or wages among a number of Joint-Committee Fund employés, or for recouping the permanent advance. Whenever money is paid to persons who are illiterate and unable to sign their names in acknowledgment, the payee shall make his mark; the fact of the payment shall be certified to by the officer who pays, and by a witness of respectability.

31. The amount of every cheque shall be written in words as well as in figures, both on the cheque itself and on the counterfoil, and the counterfoil shall be initialled by the person or persons who sign the cheque. The word "only" shall always be inserted after the amount written in words in the body of the cheque.

32. Every cheque drawn for a sum, whether exceeding Rs. 20 or not, shall bear a receipt stamp of the value of one anna, and such receipt stamp shall be affixed before the cheque is signed.

33. When a signed cheque is cancelled, it shall be effaced or stamped "cancelled" by the President, and shall be destroyed and the necessary adjustment shall be made in the cash-book.

34. The fact of cancellation shall be noted in red ink under the initials of the drawer of the cheque upon the counterfoil and also across the passing order which has been effaced upon the voucher.

35. Cheques are current for three months only. After the expiration of that period, payment will be refused at the Treasury, and the person in whose favour the cheque was drawn will, therefore, have to bring it back to be re-dated. No fresh cheque should be issued; the lapsed cheque shall simply be re-dated and the alteration initialled by the President or official whose duty it would be to sign the cheque under rule. A note of the fact of re-dating shall be entered in the cash-book against the original transaction. The alteration will in no way affect the accounts, and no further entries shall be made.

36. Every bill or other claim for payment from the Joint-Committee Fund shall be presented in the first instance to the Head of the Educational Institution who shall check and examine it, and if it be found correct and in order, shall submit it for orders to the President. If payment of the bill so presented is to be made, an order for the payment shall be endorsed upon it. The order for payment shall run as follows:—"Pay Rupees only (Rs.)," the amount being written in words as well as in figures, and shall be signed by the President.

37. If payment is to be made from the permanent advance the procedure laid down in rules 49 to 53 shall be adopted.

38. If payment is to be made by cheque, the President shall cause the bill to be endorsed with the words "paid by cheque No. ", and shall then sign the endorsement, and cause the cheque to be drawn out, signed and issued. The payee or person taking delivery of the cheque on his behalf shall give a dated acknowledgment of the receipt thereof on that bill. Whenever necessary and convenient to the Treasury, cheques issued from the Joint-Committee's office may be effaced at the district treasury for payment at a sub-treasury.

39. When any payment is made either by cheque or in cash from the permanent advance, it shall be immediately entered in the accounts of the Joint-Committee. In the former case it shall be entered in the cash-book (Form No. III). In the latter case, it shall be entered in the permanent advance account (Form No. VII).

40. Every payment made, either in cash or by cheque, shall be covered by a receipt, stamped if necessary, signed by the person to whom the money is due and to whom it has actually been paid. A receipt signed by another person for the creditor, or with a stamp, is invalid.

41. Bills and vouchers that have been paid by cheque shall be numbered consecutively for the year in order of payment, and shall be pasted in a guard-book. But sub-vouchers which have been paid in cash out of the permanent advance shall be separately filed, together with the recoupment voucher covering them. A memorandum instead of this voucher shall be pasted into the guard-book mentioned above, viz.,—

MEMORANDUM.

Voucher No. , dated , for Rs. in recoupment of the President's permanent advance, will be found in the separate file.

CASH-BOOK.

42. The cash-book shall be in form No. III and shall show on the receipt side all sums realised in cash as soon as they are received. Sums credited in the pass-book direct should be similarly shown as soon as intimation is received either direct or through the pass-book. Expenditure shall be entered day by day as cheques are issued (*vide* rule 39 of these rules). All sums received in cash must be remitted to the Treasury at once, or within three days at the latest.

43. The cash-book shall be closed and balanced at the end of every month and shall be signed by the President. The difference between the closing balance of the cash-book and that in the Treasury arising from uncashed cheques or short credits shall be reconciled in the following manner:—

			Rs.
Balance as per cash-book
Add—Uncashed cheques
			—
Deduct—Short credits
			—
Balance as per pass-book
			—

PERMANENT ADVANCE.

44. On first receiving or taking charge of the permanent advance, the President shall sign and file an acknowledgment in these terms:—"I acknowledge to have in my possession a permanent advance of Rupees (Rs. . . .), which sum is due from me to the Joint-Committee, and I am personally accountable for the amount."

45. A similar acknowledgment shall also be given by the President on the first working day of each year.

46. The permanent advance when first drawn shall be charged in the cash-book to the head "Advances," and shall be debited to the President's account in the advance ledger.

47. There will be no further operations upon the ledger account until the advance is finally repaid. It need not be repaid at the end of each year. If the amount originally fixed for the permanent advance is subsequently increased or decreased by the Joint-Committee, the original advance shall be repaid and a fresh advance drawn.

48. The President shall make payments from his permanent advance from time to time as may be required, and for each payment he shall obtain and hold a bill receipted by the payee, or, in the case of petty office expenses, a written detailed statement of the sum spent.

49. These bills or statements shall be numbered consecutively, en faced or stamped "paid in cash," and entered in the register in Form VII, the classification of the charges being carefully entered in the columns provided for the purpose.

50. The permanent advance may be recouped whenever necessary, and it must always be recouped on the last working day of the month, except when the expenditure falls below Rs. 10, for which no cheques can be drawn upon the Treasury.

51. The procedure of recoupment is as follows:—The President shall compare the sub-vouchers with the entries in the permanent advance account; he shall deface them by stamping them "cancelled," so that they cannot be used again. He shall total and initial the column "Amount of sub-voucher" in the permanent advance account, and also the amounts in the classification columns, the cross total of which should agree with the total of the column "Amount of sub-voucher," and shall rule a red-ink line across the page, immediately above which in the last two columns, the number, date and amount of the voucher for recoupment shall be shown.

52. The voucher for recoupment shall be drawn out in Form No. VIII, and it shall be en faced with the usual payment order. The President shall draw out a cheque in his own favour for the amount, and sign the certificate in the voucher and the entries in the last two columns of the register.

MONTHLY, QUARTERLY AND ANNUAL ACCOUNTS.

53. As soon as possible, after the end of a month, the entries on the receipt side of the cash-book (Form No. III) shall be posted in the register of monthly receipts (Form No. IV) against the heads concerned. In cases in which there is more than one item classifiable under the same head, the total only should be posted against the head in the body of the accounts, the details being posted at foot in the column for the month concerned. All the payments entered in the cash-book should be posted in the monthly register of payments (Form No. V). For this purpose the classification of the charges should be noted in red ink on each voucher. The vouchers should then all be arranged in the order of the heads in the monthly accounts. If there are more than one voucher under any heads, the several items with the numbers of the vouchers should be posted at foot of the monthly account in the column for the month concerned, and the total only posted against the head in the body of the account, the two entries being connected with each other by indicative letters. In such cases the numbers of the vouchers should not be posted on the body, but only against the details at foot. The monthly accounts of receipts and payments should then be totalled and the balances reconciled.

54. An extract from these accounts, showing the figures for the month and the progressive totals to the end of it, should be forwarded to the Accountant-General, Bengal, not later than the 15th of the month following that to which the accounts relate.

55. The annual account of the school should be compiled from the monthly accounts and subsidiary registers in the form prescribed by the Educational rules, and copies of this account should be forwarded to the Accountant-General, the Director of Public Instruction, and the District Board and Municipal Office.

ADVANCES AND DEPOSITS.

56. All sums advanced to officers or employes of the Joint-Committee or to contractors or other persons, whether as permanent advances or otherwise, shall be charged in the accounts at once to the head "Advances" and be entered at the same time in the register of advances in Form No. IX, in which recoveries or adjustments of the advances should also be entered as soon as they are effected.

AUDIT.

57. The accounts of the Joint-Committee's Fund shall be examined and audited by the Examiner of Local Accounts in Bengal as far as possible not less often than once in twelve months.

58. In auditing the accounts, the Examiner shall see that they have been kept and are presented in proper form, that the particular items of receipt and expenditure are stated in sufficient detail, and that the payments are supported by adequate vouchers and authority. He shall examine whether all sums received, or which ought to have been received, are brought in to account, and also whether the expenditure is in all cases such as might lawfully be made. He shall also reduce such payments and charges as are exorbitant; and shall surcharge moneys not duly accounted for, or lost by negligence, upon the person who ought to account for the same, or whose negligence or improper conduct has caused the loss, and shall disallow and strike out such payments as are not authorized by law or competent authority.

59. Copies of the reports of such examination shall be forwarded by the Accountant-General, Bengal, to the President of the Joint-Committee and the Commissioner of the Division. The President shall be bound to remedy any defects or irregularities that may be pointed out by the Accountant-General or the Examiner, and within three months of the date of the receipt of the report, he shall submit a statement, giving particulars of the action taken thereon to the Commissioner, who shall forward the same with his remarks to the Accountant-General.

RECORD OF SERVICE.

60. A service-book in Form No. XII printed in English and the vernacular shall be supplied at his own cost to every employé holding a substantive appointment on the permanent establishment of a Joint-Committee. It shall be kept in custody of the President, whose signature as well as that of the employé on the first page shall be attested every five years.

The service-book is a contemporary record of the employé's official life, including leave of every description, every period of suspension from employment, and every other interruption of service, with full details of its duration. Every entry relating thereto shall be written across the page and attested by the President or Vice-President, or the Secretary.

61. The President or Vice-President is primarily responsible that every necessary entry is made, especially in regard to leave or suspension, but it is also the duty of each employé to remind the President, Vice-President, or Secretary, when any entry is necessary, and to see that his own service-book is properly written up and attested. It should be carefully explained to each employé that, unless he does so, there may be a difficulty hereafter in verifying his service when his claim to pension shall come to be investigated and considered. Service-books shall be introduced and kept up, whether rules for the grant of pensions and gratuities have been framed or not.

At the time of preparing the pay-bill for March in each year, a detailed statement of the permanent pensionable establishment existing on the 1st April should be prepared in Form No. XIII and transmitted to the Accountant-General direct not later than the 15th April. In preparing the statement the following instructions should be carefully observed:—

- (a) The name, designation, and pay of every officer, clerk, or menial servant holding a permanent appointment, whether on duty, or absent on leave or deputation, or under suspension should be distinctly shown.
- (b) The date of birth, of appointment to present post, and of promotion to present pay of each person should be entered in the appropriate columns of the statement; the date of birth by Christian era should be given, and if the exact date is not known, the approximate date or year should be stated.
- (c) The name of any person acting in an appointment, as well as the acting allowance paid to him, should be shown in the column "Name of incumbent" beneath the name of the absentee for whom he is officiating.
- (d) If the acting incumbent holds a permanent appointment upon another establishment, the fact should be stated.
- (e) A detailed statement in Form XIII A should be given at foot of the original return, Form XII, showing new names of officers which are not found in the return of the previous year, and when these new names include those of persons who have entered the service of the Joint-Committee for the first time, their age and health certificates should be attached to the statement. Columns are also provided in Form XIII A for information required in regard to the names of officers which appeared in Form XIII of the previous year, but are now omitted, as also regarding officers who have been on leave, other than privilege leave, or under suspension, during the previous year. In the case of any who have been under suspension, a note is required stating whether it has been expressly declared that the period of suspension shall count as service qualifying for pension.
- (f) If any person on the establishment is a Government pensioner, or is not the servant of the Joint-Committee solely, the fact should be noted in the statement. If he be an officer transferred from the pensionable service of Government, for whose pension contribution is paid, a note should be entered against his name to the effect "contribution paid to Government for pension."

When completed in accordance with the preceding instructions, the statement should be carefully checked with the service-books, as it will be the authority by which hereafter pension claims will be tested by the Accountant-General.

5. No person shall, except with the written permission of the Chairman, bring into a municipal square or garden any vehicle unless adopted solely for the conveyance of infants.
6. No person shall, except with the written permission of the Chairman, post or affix any bill, placard, or notice in any part of or upon any tree in a municipal square or garden.
7. No person other than an officer or person employed by the Corporation shall remove or disturb any soil or turf, or trample on any flower-bed or pluck any flower or leaf in any municipal square or garden.

moveable seat, building, monument, work of art, ornament or decoration, or any other structure or erection, or any municipal property in a municipal square or garden, nor throw or deposit any filth, rubbish or refuse, or cause or suffer any filth, rubbish or refuse to fall or to be thrown or deposited upon any part of a municipal square or garden.

9. No person shall throw or discharge in a municipal square or garden any stone or other missile to the injury or danger of any other person.
